Mr Dear Sir

The object of this is to inquire if it is expected that the Vessel which was to sail for the Coast of Africa about the 10th of this month will go at that time. Does she touch at Cape Palmas? A sister of Mr Wright has desired me to inquire whether you received some weeks since a box from Wells & Pomeroy of this city about to Baltimore by Express and marked Mr Wright Cape Palmas. I send to day a package of letters by mail and parcels by Express to your address which please send forward by the Vessel for Africa.

Dr James Hall
Baltimore

Yours truly
