Dr James Hall. Sir yours of 2d is rec'd. I should not have written about the prepayment of the freight had not the person who shipped it (a colored man) found fault with me for paying it as your letter is satisfactory to him. I find the freight of the box probably from Baltimore to this place $1,58 I thought that included the freight from Liberia as it was a good deal too much for the freight from Baltimore only, you probably mean the expenses at Baltimore. you will please forward the enclosed letter to the Very Respectfully
