Dr James M Hall

Yours of 12th inst dear sir, did not reach me till Thursday last, owing I suppose to its not being directed to the care of my brother, Wm M Harrison. The two boxes directed to Rev Fabarell, were designed, not for the Shirley, but the Sophia Walker, which I thought would go to Cape Palmas. I heard a few days before it sailed, that it would not, but having already experienced so much kindness from Mr H, I felt sure that he would not risque their being lost, and therefore, would not again trespass on his time by writing on the subject. We are very much obliged to you for your kindness in attending to them.

I enclose $2.50, the amount of freight on the boxes, which I hope will reach you safely.

With sincere thanks & respect

Miss E C Harrison
