New York June 24th 1854

My Dear Sir,

Some weeks ago I expressed my anxiety that the views of the friends of regular communication with Liberia might be made to harmonize in some one practicable and efficient scheme. I have the pleasure of sending a copy of the Resolutions adopted after the perusal of my letters of the 27th and 29th ult.

1st Resolved that we will cooperate with the committee on the steam ship project, appointed by the Board of Directors and such number of other gentlemen as may be interested in the subject, and have wise counsel to give in an effort to fix upon a final plan of action

2. Resolved that we will authorize the Hon Mr Hodge to attend on behalf of this Society any meeting which may be held by them shortly in New York on this subject.

3. Resolved that if a liberal mail contract be obtained from Congress
