Dear Sir

I send herewith a draft of a report to be made to the Ex. Comtee of the Col. Soc for your examination correction, suggestions &c. I propose then to send the result to Mr Williams for the same purpose — as I presume we will not in longer time vary our conclusions much and Mr Gurley who is here for some days is anxious to have, the plan of operations settled so that he can go to work — I wrote to you some days since — did you receive my letter, the Ex Comtee have delegated the Honble Mr Rodges to act for them, We expect him here day after to morrow could you come on here in the course of a three four or five days & meet him & Mr Williams — Please write me by return Mail & oblige

Yours Respectfully
J H M Schiffelin
