Love Point Kent Island Sept 25th 1853

Dear Brother Sup.

An opportunity to send a letter to the office now offering, and Brother Walton being quite unwell requests me to say to you that we will be glad to see you, on your appointed time the first of October, I need not add that we would be glad to see you at any time, come and stay with us as long as you can conveniently do we have a protracted meeting on hand with a prospect of a good work, and if you are not afraid of some of the old fashioned Methodist practices, which I do not apprehend, you will be twice welcome.

Truly yours in Christ
