of your office to attend to any affairs of my own —

When released from other duties I shall most likely be employed in superintending the construction of models —

But if I should not have the time Of course I could not do so. I am informed however by Mr Goodwin that the duties required of a clerk are not so very onerous but that there will be some time left to his own disposal — On this topic however you can best inform me yourself — Should you write as I hope you will without delay — and signify your willingness to accept of my services please state the terms &c —

In conclusion you must pardon me if I express the hope that your answer will be favorable and if so that you will not be a loser —

I am Sir

Very Respectfully

Yours &c

P. S. Swift

P.S. Please address me at Newport Charles Co Md where I will tarry untill I hear from you —
