The Man is about 35 his wife 38 — little girl 6
Boy 4 years of age — They are good house servant
and a likely family — I wish to send them out
if I can this Winter, if not I would write further
you; It would be more convenient for me to send
them from New Orleans, I would like to furnish them
with whatever articles to send with them for their
comfort when they get there, and would like to
put them in charge of your Society if they go
this Winter & would be glad to know of you what
they would need & what is best for them & how
is best for me to do. My brother near Eutaw Ala
and I would like to go to Ala 1st of next month
and spend some 6 weeks there with my wife
and on my return to bring them to Savannah
this probably could be done if you do not
send the vessel until middle of January

Please inform me at your earliest convenience
in regard to the propriety of sending them by
your Society — what the expense would be &c

I wish to pay them they would be considered
worth I suppose 2,500 and I would give them
from 200 to 400, in such way as would be best
