Dr Sir

Martha Crop, now in Liberia, is the relict of Alex. Crop Missionary who died there last July. She has been long ill herself and is desirous of returning to America. I have written her encouraging to Pres Roberts to stay, but if she still elects to come I wish to pay her passage. I hope you will facilitate her inward bound passage, if she chooses, with the assurance that 2d rate fare will be paid upon her arrival. I will arrange with Mr Chas Fairbank at Lone to have it met promptly. This assurance to the Commander will give her a berth.

We must prefer her remaining in Africa - I learn directly for the South.

Truly Yours
