Dr. James Hall,

Dear Sir,

I arrive here two hours ago and found your letter, directed to me at this place, and dated the 20 Nov. I waited two days for a telegraph message before I left here. It came not - nor has it yet here yet. I wrote to you before I left Frankfort, stating the purport of Mr. McFarr's letter, and I again wrote you in regard to two emigrants that must go & that I would bring them on. On my arrival here, I found an emigrant who had left home to visit some friends in this County - and therefore he will go on with me. It is possible several more may be on their way to this place before my letter even received stating none could go in the sept. I will write to you on the 7th, the day I expect to leave here for Baltimore and will inform you of the number coming on with me. In haste

Your truly

Alex. McGowan

Agt. Ky. Col. Soc.

I expect to be in Baltimore on the 14th if not a day or two sooner.
