My dear Sir

I am much obliged by your note of yesterday informing us of the opportunity presented by the sailing of the Farm for Africa. We have availed ourselves of it and send the accompanying letters which you will have the kindness to dispatch; ~~have~~ have also sent a parcel by Adams Express a parcel containing several smaller parcels for Monrovia, Bassa, & Cabenda. Please remove the outer wrapper & then secure their proper transmission to the various points.

We shall probably write & send other letters to morrow which we hope will be in time.

With great respect
Your obedient
in much haste
