Col: Office
New York March 3/55

Sam Hall Esq
Baltimore

Dear Sir

The Capt. of the Buckeye called at our office yesterday, and expects to sail from this port in a week or 10 days for Monrovia. He touches at Salem. As you wished to be informed of any vessel for Africa, when you recently wrote to us, we have thought this information would be of some interest to you

The Cam wood is not yet landed — expect it will be daily, and is all ready for entry. Some of it is billet wood.

Yours &c
Gabriel P. Disosway
