My Dear Sir

I herewith transmit you my semi-annual accounts, which I would have done at or about the proper time, some two months ago had a favorable opportunity offered. Wishing to send what moneys I had to permit by a vessel that would sail directly for Baltimore, has in part caused the delay. I now however send in envelopes directed to your the firsts of a number of Bills of Exchange to the amount of One Thousand One Hundred and Fifty five 9/100 Dollars $1155 9/100, the avails of Indze dis-posed of at the Public Store

Most of the tobacco I have sold I let go at 02 3/4 cents below the Inventory price when disposed of in large quantities. This idea was suggested to me by Dr McGill and it is well that it has been done, as otherwise the loss on tobacco would have been much greater than it is. When you next send goods for the Agency Store, please include some tobacco as I am now nearly out, and what I have is very inferior owing perhaps to its having been so long on hand
