My Dear Sir

We have among our applicants for a passage to Liberia, one family of Eight persons, residing in Stewart Co. Tenn. who desire to go to Cape Palmas, And I desire to know if your Society will assume the responsibility of their expenses? Will you receive them in Baltimore & provide for them?

And while you are answering this case, please also say, if you will take in like manner any other of our applicants who are willing to go to C. Palmas? It may be in our power somewhat to add to your "little African State."

I have just received your Telegraph and greatly relieved & happy by it.— I thank you!

I notice on page 135 of your Journal— a note of my peculiar emphasis! Are you going into that battle?

Yours faithfully
W. McLain
