Dr James Hall

My dear Sir

I herewith mail such numbers of the "Herald", which your list calls for, as we have on hand. The paper was suspended from Nov 1. 1849 to July 1850; and our issue for the first five months of 1853 is entirely exhausted. With these ~~simple~~ exceptions your file will be complete. I had to "squeeze" pretty hard to spare you some of the copies now sent.

A small mill was sent to you in 1853 to be shipped to Judge Benson. Mr G. W. Taylor of this City was in some way connected with it. Perhaps your very excellent memory may be able to fill up this vague description sufficiently to say whether said Mill was withdrawn from your care, or if it was forwarded.

If you can trace this subject without occasioning trouble to yourself I would be pleased to have you do so.

Very truly Yours,
Wm Coppinger
