J. James Hall Esq

Sir

Be kind enough to inform me at what time you wish the boy, who has been transferred to your society, by Mr G M Berry, delivered in Baltimore to sail in the expedition on the first of May.

I perceive by the papers that the society is out of funds, and hence require $60 of each emigrant for passage, this is about the sum the boy will have, and he will not have, enough to furnish himself with sufficient clothing for the voyage, unless he should meet with employment soon after reaching Liberia, But as I have concluded not to retain him any longer, I must deliver him to the Society in his present condition.

Please give me your address, Street & Number so to enable me upon my arrival in Baltimore to find the office without difficulty

Yours Respectfully

Peter Lammond
