Dr. Hall

Sir

I forwarded last fall two boxes for a worthy colored man of this place, directed to to your care as Agt of A. Col. Soc. from the people to Balt. and consigned them to Mr. Bannon Corner of Market & Howard St. I also directed a letter to you with regard to the boxes, with a request that you would also please forward them by the Vessel then about to leave for Liberia, and send me your bill of cost &c. The Boxes were directed to John B Hines Monrovia By letters received from them in reply to letters sent by me, I learn the Vessel arrived safely, but learn also that the Articles were not received, Will you please inform me whether or not the boxes were received at your Office, or if they were forwarded, be such information with regard to them as you may be in possession off I feel anxious to know as I learn another Vessel will leave for the Coast of Africa in a short time. It is not may be possible they have been Overlooked, and may yet be sent by that Vessel, please let me hear from you at your Earliest convenience and oblige

Your Very Respectfully

Daniel Dunfee
