Rev J Lugs:

Dear brother,

I have just received yours. I was not aware that the Ship was to sail on the first, or I should certainly have made arrangements for the Girl (Levinia) to be in Balto sooner. I suppose it would suit you best at the last ~~few~~ day or two of her stay in America, to save expense. Under all the circumstances I think we had better put her aboard of the Cars tomorrow (Sunday) evening and let her get to Balto, Monday morning the 30th inst, instead of Tuesday May 1st. I dislike to send her on Sabbath but my judgment is that it will be better to do so than risk the detention of the Cars, which is of frequent occurrence. Please let me hear from you as soon as she arrives or gets off, as Bro Lichnell will be anxious to hear of her safe arrival &c

Yours truly

H H Morrow.
