Alex.: May 2. 1855.

Dr. James Hall,

Dear Sir.

I have this day put on board of Steamer Columbia, a Bbl of Potomac Herring, for Revd. C.C. Hoffman, directed as requested by him, to your care - which I am very desirous should accompany him on his voyage to Africa. Should the vessel have left Balto. before their arrival, will it be possible for you to send them to Norfolk, so that they can be put on board there. I will write Mr. H. to be on the look out for them. Will you be kind enough to pay all charges upon said Barrel and inform me the amount, which I will immediately return you. The drayman was directed to pay the freight here but neglected it.

Recalling with pleasure our acquaintance at "Cape" a year or two ago, and your kind attention to my child, I remain dear Sir,

Very truly yours,

W.C. Yeaton.
