New York 11 May 1855

My Dear Sir

I had much pleasure yesterday to get a donation of One thousand dollars from George Law! I did not get the promise even of the clipper Grape Shot — but I did not either get an absolute refusal of her or an equivalent in round dollars! I have been in close conference with some other wealthy persons from the South, whom I have met here — & looking for the man to give us a ship — I have not found him yet — but there is among all the feeling that we must have a vessel! —

I am very anxious, both yesterday — & to day at not hearing from you — for I sent you the day before a letter with Seventeen hundred & fifty dollars — I do hope you received it!

I have not finished your Princess Bay business — but hope to —

I cannot tell when I shall get away from here. — I inclose a scrap of the N.Y. Col. Meeting last night which will give you a pretty fair idea of it.
