After the adjournment which took place at about 3 o'clock P. M. they adjourned till 10 a. m. to morrow morning the 7th inst.

Soon after the adjournment the members of both Houses called on me at the government House where I was then stopping, and where too I had the pleasure of an introduction to three two Hon- ~~Gents~~ ladys, they were and are strangers to me, but I thought then and think still that they as States men would have done honor to Sum if not many of our Congress men at home

Here for I am (some) what proud of the Congress men in and of Maryland in Liberia, at 2- o'clock Governor Drayton gave me an invitation to dine at the residence ~~of~~ of Mr. Chas. Caskell, which lady I at once saw was truly an American Lady, and one too, who, had her dinner served up in the true american style, At 4 o'clock in the P. M, I met with the Rev C C Hoffman of Cape Palmas, and was introduced to him by that very much of a gentleman Mr. J. T. Gibson, and while I am much pleased with my acquaintance with both of these gentlemen, I am pentecularly so in regard to my acquantance with mr Hoffman who I have found to be a gentleman in every sence of the word, and a true Christian in both word and deed, After a little conversation Mr Hoffman asked me if I would take a walk, to which I consented and we walked together,
