In our walk we passed through a first and second by a second native Town, these Towns present a novel appearance, And as we walked the natives would say one to another new man new man wonder where he is from, When we were arrived in Letrabe I was at once struck at the business like appearance which things presented in that part of the Town, first a Straite and beautiful Road lays before you for more than a mile and this distance brings you opposite Governor Draytons Residence on your right, At this point the Road makes a bend or turn inclining to the north or the left hand, from this point it runs in a Straite line in to the Country for the distance of some 3, or 4 miles, In Sierra Leone I saw the like of this, but nowhere else in Africa till I came to Cape Palmas, At ½ 5 p.m. we returned to the Cape, I at least was much pleased with my walk as well as I was with the things which I saw, But much more was I pleased with the gentleman with whom I took that walk, and the more so because it was my first in this place, In Letrabe I saw two Carts in service, the one being drawen by two oxen and the second by 4, I have since been informed that there two teams are only so many out of some 7, or 8, teams of the same kind in this Town, This is also what I have not been able to see any where else in this great
