would certainly have to see the rest provided for before they started or you would not take them, all I have to say to this is, I am perfectly willing to furnish them with the actual necessaries, & you must send me immediately upon receipt of this, a memorandum of what it will take for a Woman & 4 Children of the same kind of those you had last spring, & if it is not too extravagant, I will furnish them before I leave home, if too ~~extra~~-avagant, I can send them by the Virginia Col, soc, as they are in my hands & I can send by any, soc, I please, let me hear from you without delay & if every thing suits I shall endeavor to have the Negroes thereby the 1st Decr in great haste

I remain very Respectfully
