Doctor James Hall

Dear Sir

Please deliver alongside in Liberia - at Monrovia - five Tons of good lime stone, to Mr J. B. Richardson - I will write to him, by your vessel, to take it and burn it and to charge the loss if any to me he suggested the idea to me that it might answer, when he learns the cost he may think differently - it will no doubt be a good plan for the vessel occasionally to take out some when short of freight - I would very much like to see the new ship - but cannot well leave New York I hope some day to have that pleasure

If the lime stone should pay it would be well to see if Mr Richardson would not order out as much as would be wanted to supply the market there

Yours Resp.y

J. M. Schieffelin

for freight of this & other things please send accts & I will remit
