if possible the best plan of securing it
and to make an examination of our
Burnettized Receptacles, and give his
opinion as to whether it will be best for
us to send such Buildings to Bassa
& Sinoe, or to erect them of brick
or other Liberia Materials.

Resolved that Dr. James Hall be au-
thorised to see R. E. Murray, touching the
large amount which he owes this Society,
upwards of Two thousand dollars, & make
such compromise with him as shall be
just & equitable."

In transmitting these resolutions
to you, allow me to say that we do not
desire to impose any heavy burdens
on you. We are aware what a multi-
tude of things will necessary demand
your attention while in Liberia. We
desire however to avail ourselves
of the very great advantages which you
may derive from your visit — and we
desire to put our affairs generally
into your consideration and to bespeak
your attention to them —

Wishing you a safe & happy voy-
age & speedy return I am
James Hall M.D.
Baltimore

Yours
