Dr James Hall
Colonization Society's Agent
Baltimore.

Sir.

In the last Gazette Dove, a notice appeared, asking for a Flag for the New Native Church at Cape Palmas. This paper being distributed among the Sunday School Scholars of St. Paul's Episcopal Church at Chestnut Hill, near this city, the Scholars (some 25 to 30) four Children, determined to raise the funds & present the Flag to Our Rector ere to Mr Denison; stating that a flag should be procured & requested him (Mr D) to write to me, on the subject. I have received a letter from Mr Denison stating that a vessel was to sail from Baltimore the 12th inst, & that if it were sent to your care, prior to that period, the Flag would be despatched.

Being absent from this city when the letter came on, I was unable to have a flag made; after I read the letter, & forwarded by that time. I write to say that the Flag will soon be finished, & if you desire it, I will have it forwarded to you. If not, I will have it sent to New York.

Very truly, yrs
