My Dear Sir

Yours of the 6th & 7th I have to-day received — I regret that I have not been able to do more — You are please say to Dr. Cullum that I will authorize him to get a buyer for that land. I have investigated the whole subject & I believe firmly that it would be as good as any ten percent investment. The lands are many of them valuable in fine location. I have found some persons desirous to purchase if they could get some body in whom they have confidence to make the selection. One or two of them are now on the look out — I hope Mr. Cullum will be more fortunate than I have been.

The ship sail aboard one off Sat. a.m. as I C — she was not in the Roads when I came up yesterday morning — I have your pen — but I would advise you not to wait for it, but buy another —

Yours truly
R. M. Sim
