Md St. Col. &c. for Immigrants. The aggregate loss thus sustained either by the Society or the parties for whom the houses were erected cannot be far short of 12 or 13 hundred Dolls

I am happy to inform you that the Agency Store though so near the large town remains uninjured by fire or otherwise. The Epis. Mission building at Mt Vaughan have been burnt down

On Thursday 25th inst about 65 of our troops with between 150 and 200 of our natives allies (the Rocktown & Tentown people) were sent against Kanay tribe This they soon overcame, notwithstanding one of their Towns was quite strongly fortified. The entire place consisting of four towns was reduced to ashes. Thus I have given you an hasty account of our present situation. Truly we have been highly favored having lost during the entire struggle so far but one killed, and one wounded While however we have many reason to be thankful to the great arbiter of hum affairs for the many manifestations of his goodness and mercy, we are not without cause for humiliation and regret. Many of our neighbors and friends who but a week ago appeared to be getting along prosperously are now bereft of nearly all their earthly possessions, and are ~~now~~ thrown naked upon the mercy of a merciless world
