that the Crawfords & Cole & River people make today an attack on the Half Caravan Natives; as some threats have been made against the Big Ship & fired at a little after sunrise for this safety in case the Half Caravan people are beaten. But as we have seen no smoke of the town burn or yet they are safe. — Mr Mills returned safely on board, Mrs Caldwell is very anxious to know if are there any other passengers? I effect to send to Caravan tomorrow. Please send what letters or packages you can, to go by this opportunity. — We look to welcome you soon —

I send Miss Hall some a bouquet of real Cape Rollines Flowers with my kind regards & welcome.

Yours very truly
