We have all been very greatly pleased with the fatherly and friendly treatment we have received of the Special agent of the American Colonization Society, the Rev. John Seys and he will ever be greatefully remembered by us: and we feel satisfied that we could not have been favoured by a more suitable and faithful friend.

We shall always cherish for your kind advise grateful remembrances of yourself and some other Colonization friends.

Please tender our grateful remembrance to Capt Daniels, Capt Haley & the Stewarts

You have doubtless learned that all of the Women that came out in our expedition, excepting one, are dead
