U.S. Consulate Monrovia
March 7. 1857

My Dear Dr.

If you are not too much engaged this morning, I should like to see you at my Office. I have since learned facts, from reliable sources, corroborating what I mentioned to you yesterday morning; and I consider it important that you should be fully informed — Dr McGill, I should judge, has no knowlege of the transaction, as I do not think he would deceive you.

Yours Truly.
