Colonization Office N.Y.,
April 8th 1857

Geo. W. S. Hale

My Dear Sir

Your Clerk wrote Saturday that you was sick with measles. My wife says such attacks are very dangerous for adults & insists that I shall write to express her sympathy & to urge you to remain quiet in the house & avoid any exposure by going out till quite well.

Aggy the hugger gave me a message — but I won't send it for her as she can write for herself —

I suppose you have special news from your father &c &c — Please say what it is. Had he been down to C. Palmas before the troop were taken down. How noble in him to loose the $10,000. See Commercial Advertiser &c &c —

After much hunting I have given up looking for the Note I hope it will be paid here to day. I left a check for it at the Bank of the Republic.

With best wishes for your health
I am truly yours S. B. Pinney.
