England dated Cape Palmas 26th January, - in which it is said, "The "Stevens" is now daily expected at this port - & I will remit you ye by her"

I enclose you report cut from the Papers of this morning - by which it seems - that the "Stevens" was in port at Monrovia - Has the "Stevens" yet arrived at Baltimore? or have you any data as to when she left Monrovia?

Please answer by return mail - I think Yates & Porterfield wish to keep our freight here if possible -

Yrs very respectfully
