Dr James Hall

My Dear Sir

The Rev H. H. Bean of this City, shipped last February in the "General Pierce" a box directed to Rev C. C. Hoffman, Cape Palmas. Having received letters as late as May from Mr Hoffman, in which the box is stated not to have been received, and fearing from the reported state of meeting on the Gen: P., that the box has been victimized, he wishes to learn something about it and end of the vessel. Can you enlighten him on these points?

Has Prest Latrobe started on his projected tour through Europe?

Accept our warm thanks for the desired numbers of the "Journal".

Tenytruly Yours,
Wm Coppinger
