Dr James Hall.

Baltimore.

My Dear Sir

Some sacrilegious hand lately laid hold of and carried off several volumes from our library; - among them the two volumes of the "Maryland Colonization Journal" comprising July 1849, to June, 1857. Now, can you help us to make good the loss? We have the preceding numbers bound, and greatly desire to possess the series complete.

When does the "Pres^t Benson" leave Baltimore on her return to Monrovia? May letters and papers be sent by her?

Yours very truly.
