My Dear Sir

Accept our hearty thanks for the bundle of "Maryland Colonization Journal" at hand yesterday per Express. The series are minus the following numbers: viz: September, 1849. Feb. & Nov. 1851, April, August & September 1850.

Not knowing whether this deficiency is the result of accident or inability to supply, I have concluded to mention the fact, hoping that the former named "horn of the dilemma" is the case, and begging, if so, that you will mail us the above named numbers. As before stated we desire a perfect set to bind and preserve in the Society's library.

Yours very respectfully,
Wm Coppinger
