II A 24

The Genl Appropriation bill has just been reported by the Chmn of Com on Com. of Ways and Means, striking out $10.000 as originally proposed and inserting $5.000 to Mr Colonization Society, Mr. Sterling informs me this appropriation will not affect my bill which passed on Saturday, I should it affect at all it will be according to his opinion to secure to you an additional sum of $5000 for 1859, I hope it will be the case,

I learn with regret of your indisposition and should have been most happy to have seen you here to-day,

Hoping my course meets the approbation of the board, I have the honor to remain with sentiments of high consideration,
