Dear Sir,

Being confined in the house today about half sick with a cold, which has been punishing me for my faults, I suppose, for at least a fortnight,— I concluded to overhaul my Colonization pamphlets and papers. Your Maryland Colonization Journal, is as good as any, and better than some of them. — I find on hand three volumes complete, Viz 1851, 1852 & 1857. It is matter of regret, that the Volumes for 1854 lacks numbers January, Feb.y March. June, July, September & November. ~~1855 lacks only~~ & 1855 wants only the June number to complete that volume— and 1856. is minus the August number.

Now if you can send me to this place the above mentioned missing numbers of your excellent Colonization paper— I will be grateful for the favor— and promise you that I will have the volumes bound.

Have you any information from the M. C. Stevens since she sailed from Norfolk last? Just write me a few lines on the subject, and oblige

yours very Respectfully,

Wm. H. Starr.
