My Dear Dr Hall.

Being in Wall street yesterday to see the Missionaries who were going on the Ocean Eagle, I happened in at Green's, & learned that George had been in London & Paris & had proceeded to the Continent. good.

I enquired casually the value of Sitten Island paper & was answered prime. Yates & Porterfield were enquiring a few days before at what rate it could be sold & spoke of 8 per cent.

Did you ever answer a question about cost of the Maryland Col. Journal asked in my letter Feby 22d. last? I don't find the reply & would like it. Some of our friends here are quite disturbed by the "Matron servants," and their serious charges. Mrs Finnemore, who lost all her family, has just come from Sierra Leone in a Salem ship & like a uncharged battery gives out the lightening of fifty years cherished wrath. She makes out all Liberians rascals. Sierra Leone is a clever place. Benson and Roberts & Dr Smith & all. I called to see her yesterday & found her woes could not be mollified. Mrs Roon I suppose the Holcomb's will arrive!

Is Ralph Moore a drunken villain. Is rum sold at the Receptacle? Was Chester slandered & got rid of because too meddlesome to prevent these evils?
