Dr. James Hall

Dear Sir,

I received your letter today. I hope you have found relief from your pain, and that the cause of it has been controlled if not removed - And Doctor, our Father in heaven is kind to us. Though his providential dealings give us occasionally bodily pain - and bodily pain can remind us of our dependance on him and his willingness that we should express our sense of his notice of us to him by prayer and meditation. And as neither of us are above the need and propriety, and benefit of this prayer and meditation, allow me to commend it use to you according to the instructions of the Scripture. I write from experience - for I have known what bodily suffering is, and confinement to the bed as a consequence of that suffering. "Blessed are they who put their trust in him"

I thank you, and daughter, that you found the book deserving of reading and circulation - In answer to your questions I would say, I published the book on my own account. It cost me 33 cents per copy - If postage is charged 44 cents p. copy. 1500 copies were printed - 100 copies given away - The book sellers charge me 15 cents per copy for selling. It contains 184 pages and not 108 pages. If you will look at the book again you will see a large royal page with very few paragraphs. I published it as due to ~~the~~ Kentucky - her friends and foes, to the Col. Society. The cause flagged here & strong doubts were entertained by leading men that Liberia was a failure - I have run the risque in publishing ~~it~~ my journal in selling back my money. The Society
