Papers published in Kentucky please notice.

had no funds to publish it - and if the Society had published it, I would have had to raise the funds to pay for the publication. You ask me if I am willing that you should "give it a thorough review." Certainly. Exercise your own judgment as to your course. For you will do the work of Review as a friend to Liberia.

My respects to your Daughter and to your Son, George.

Yours Respectfully
Alex. M. Cowan

The Clerk of the "Commonwealth," sent you an extra copy of that paper marked, calling your attention to my answer to the Farmville Journal, Va in regard to Liberia, professing to be founded on statements of two returned natives of the Walton family, who went out in the fall expedition. I sent it to you out of respect & to let you see what reports getting out here at the West. By the by will you suggest some method to get the work at the east? I am a novice at book making and book selling. Would it be advisable to send any copies for sale to Baltimore? By request of Mr. McLean I have sent Gen Cass, as Sec of State, a copy. I have sent a copy to the four boards of Missions acting in Liberia: to the Journal Commerce. New York Observer. Col. Herald. Col. Journal. Of course, one to Af. Rep. I shall send to day a copy to Mr. Tracy - any suggestions I will receive as in regard for me. As to better purchasers in Liberia, cannot some plan be fallen upon to make it an article of export - the fact that the Liberians do not export any of their productions, is my only obstacle in carrying full success in behalf of the Enterprise. It is the difficulty.

In notice when the book can be had. I have sent the inclosed.
