in a weeks time send them to Monrovia; whence I hope they may reach you via England nearly as soon as the Stevens does. Being anxious to have my agt quite satisfactory to all parties concerned, I shall esteem it a great favor conferred by you to inform me minutely whatever you may discover as being necessary to render them so

The few emigrants, sent us a woman and five children, have with their baggage &c been safely landed and comfortably lodged in the receptacle. The provision for their six months support as per Bill of Lading has been safely received. It is much to be regretted that the number of Emigrants obtained for this County are so few. Could not arrangements be made with the A.C.S to send here one or two entire expeditions whether from Maryland or otherwise? It certainly needs acquisitions of this sort as much, if not more than any other County in the Republic. And its means of supporting them and facilities for enabling them to make a living when thrown on their own resources are equally as good if not better than in any other County

I regret very much that I secure no tobacco by this vessel. It will put me to my wits end to lay in during the ensuing season anything like a moderate
