the Com munity & I have been very
Successful I have not lost a patient yet
tho we have had a very Sickly time this
Year I am under the necessity of asking
a favor of you which I hope you will
do me that kindness " I wish you to Send
one out a Smal Box of medicine not
to Cost over $20 dollars for which I will Send
you the amount by the Steamers the next
trip I would Send you the mony now
But I have no Smal Draft in hand &
I can not get one as I am So distant
from our Agent James B Mc Gill
I See that there is a Resolution
passed at the Last Anual meeting of
the Sacity Authorising the New Jersey
Coloonization Society to Settel that track
of Land in the Bapo Country up
about the Mountains I have a mind
to Settel myself down for life & as
you know more about me than any of
the members of that Sacity what do you
Say about Securing my Services there
as their Agent if you think I would
be a Suitable man for that post. I have
no objections to accept of the appointment
if you can get the Situation for me
my familys health will not warrent me
