My Dear Dr Hale,

I forward you a letter sent to my office but intended for you, from a Lucy Ash of New Bedford Mass who wants to emigrate with her two children.

I hope the Stevens will arrive in a day or two with good news & a good cargo for you.

The Niagara will be famous for her two great exploits of 1858. the Cable and the captives. There is a great movement among the colored people about Yoruba Cotton.

I hope Warner & others will demonstrate that Liberia is equal to Yoruba.

Bowen is to be invited to deliver lectures in Md. for Africa — cant you get him up a meeting in Baltimore? I think it would stir the waters.

All well at home — no money coming in — Glad you have George at home —

By the way B.V.R. James & Miss Stevens intend going in your cabin — James has adopted a little nephew & wants you to let him sleep in Cater's room & go very cheap. Do throw him in as a deed head — or at least for very moderate fare.

With many good wishes I am truly yours
