~~What~~ my duty is in the premises.

You will please inform me what the practice is in other counties of the State; whether regular Reports or Returns have been made and if not, for what cause have they failed; I understand from my predecessors that a Return has not been made from this county for many years. Please inform me whether in your judgement it is my duty to make such return. If so, be so good as to send me such form as the Society or board of managers, have adopted as the best and most comprehensive, with any other particulars or information that may aid me in the discharge of my duty.

An early answer will be Obligingly Rewarded
