My Dear Sir

Yours of yesterday is received. I cannot persuade myself that is right for you to allow for only the equal of 5 adults for Senden Evans & family, for there were actually by the U.S. passenger law 8 adults — & he had one child — & one of his children had one child — And that certainly makes seven persons as stated in my bill against Jon Scott, date 16th Nov. 1858. Will you count them, viz. Senden Evans, 57, 2 Robt Evans 50, 3 Florida Evans 18, 4 Sarah Evans 15 — 5 Harrington Evans 10 — 6 Anna Evans 3 — And McLain Evans (age not given, but estimated at half a year, say.) — But leaving him out of the question — judging from his name, he cannot be worth counting — There are 5½ adults — at $35.00 = 192.50 — & the Balt. two, = 70.00 = $262.50, for which I enclose "a true bill" & I cannot doubt but that Jon will admit its correctness
