My dear Sir

At the late annual meeting of the American Colonization Society - your letter addressed to me on the subject of the relations of our respective societies, was laid before the Board of Directors, when the enclosed resolution was passed unanimously.

In sending it to you, it gives me great pleasure to anticipate meeting again, on the same field of labour, the representatives of an association, my connection with which, is among the most cherished memories of an active life.

My truly and faithfully yours
