My object however in writing to you when I commenced was to express to you my heart approbation to the plain and unsophisticated appeal in the Dec No of your Journal to the Free people of color of this state. I hope the Pamphlet will be circulated extensively throughout the state. I have no doubt it will accomplish much good. I should like to have a dozen copies. Will you please send a copy to the following gentlemen who I know to be true friends of the Colonization Society. Hon: Wm Tingle Hon: Ira Spence Rev Jno: P. Robins. Snowhill Worcester Co. Md. Mr David Baker Salisbury Md Mr. Robt Baker Berlin Worcester Co. Md

I shall take occasion to read your address publicly to the Colored people from their pulpits whenever in my ministerial character I shall be there or among them. I shall be pleased to hear from you when you can spare the time to write. And believe me my dear sir to be your sincere friend and a warm friend to the good cause in which you are so ardently engaged
