II A28

The Brig "Palmas" is now in the Bassa with Palm Oil and is consequent upon delay in the season. Br. Urias has only purchased in the "Mesheppards" one half as much as he thinks he will be able to collect in the same time in May. Frank Brown left here a considerable quantity which we trust we will be able to dispose of & complete the lading of the Brig.

We have had to purchase at heavy prices as well as to borrow supplies of provision for the "Palmas" at present neither provision nor Rum can be procured any where in the Republic: Tobacco, Powder & trade cloth
