no prospect of the early receipt of supplies ~~from you~~ we ~~feel~~ further ~~supposed that you were not prepared~~ to meet drafts drawn on you to any amount, in fact we are rather in ~~a tight place~~ as ~~you see~~ many wants, that our available means are ~~inadequate~~ to supply.

~~We are~~ last ~~for "Liberia"~~ ~~you were advised~~ that we had to draw on you for $230 $\frac{83}{100}$ in payment for first return from Oil Cargo at 2¾" per gallon.

~~If practicable please send us a small order for Liberia in addition to the latter~~ 30 gall. Refined Coal Oil or "Kerosine" with ~~Lamps with wicks, Shades &c~~ ~~Lamps that stand as high as an ordinary candle stick~~ ~~not the most expensive~~

Wishing you and yours health & happiness we remain

P.S. ~~The "Calmar" is not up there we find it impossible at present to procure them for you. We cannot advise your sending out a vessel on your own account at present. Should people in some other vessel~~
